

Atrium[®] Mobile App

Mobile Web App for Atrium

The mobile app for Atrium gives your patrons instant access to your library collection from their favorite mobile device. Works on **iPads**, **iPhones**, **Android** tablet PCs, and other mobile devices.

Your patrons can...

- Search the library catalog
- View Book Lists
- See What's Hot! (*most circulated items*)
- Rate and Review items
- Reserve items
- Manage their Account and Bookbags (*My Items*)

Want to know if an item is available at your library? Use the Scan the ISBN feature!

When an item is found, the full details are displayed with the item status and availability.
