Little Rock Arkansas School District chooses Atrium for their 47 Schools.

Book Systems Inc., a national leader in library technology has successfully implemented all 47 libraries to their premier product, Atrium. Little Rock School District consists of 5 high schools, 7 middle schools and 30 elementary schools, 2 early childhood centers, 2 alternative schools and 3 learning centers.

About Book Systems, Inc.:

Book Systems Inc. provides affordable feature-rich library software that delivers solutions to libraries of all sizes. Our software is suited to fit the needs of librarians in a technology driven world, while still being easy to learn and user-friendly. Atrium offers an easy-to-use circulation desk, quick cataloging, MARC editing, analysis, easy-to-create reports, theme choices, serials, acquisitions and textbook management. Our software provides more features and demands fewer resources. Book Systems is dedicated to quality and customer satisfaction, and has implemented library automation solutions in thousands of libraries around the world. The company's philosophy is very simple: create quality products; test them with input and direction from librarians in the field; and back them up with renowned customer service and support. Book Systems is a privately-owned company with its corporate headquarters located in Huntsville, Alabama, where NASA's space programs and other government technologies have created a vibrant environment of innovation. Further information is available at www.booksys.com.

About Little Rock School District:

Little Rock School District operates 30 elementary schools (pre-k - 5), seven middle schools (6 - 8), five high schools (9 - 12), an early childhood center (pre-k), a career-technical center, an accelerated learning center and two alternative learning centers. Approximately 3,700 people work toward the goal of educating more than 26,600 students. More than 55% of our

teachers hold a master's degree or higher, and many of our educators have been honored with state and national awards, including the Milken Family Foundation National Educator Award, the U.S. Department of Education's American Star of Teaching Award and Arkansas PTA Teacher/Administrator of the Year. Our students, who are offered more Advanced Placement (AP) and Pre-AP courses than any other students in the state, have gone on to attend the finest colleges and universities in the nation (Columbia, Harvard, Princeton and Yale, just to name a few). The LRSD regularly has more National Merit Semifinalists than any other school district in the state.

As the city of Little Rock has grown in population and expanded in size over time, so the Little Rock School District has kept pace to educate the children of this great city.
