

# Concourse® for Churches

Concourse provides a variety of functional levels to meet your needs!

## Automate Every Library Task

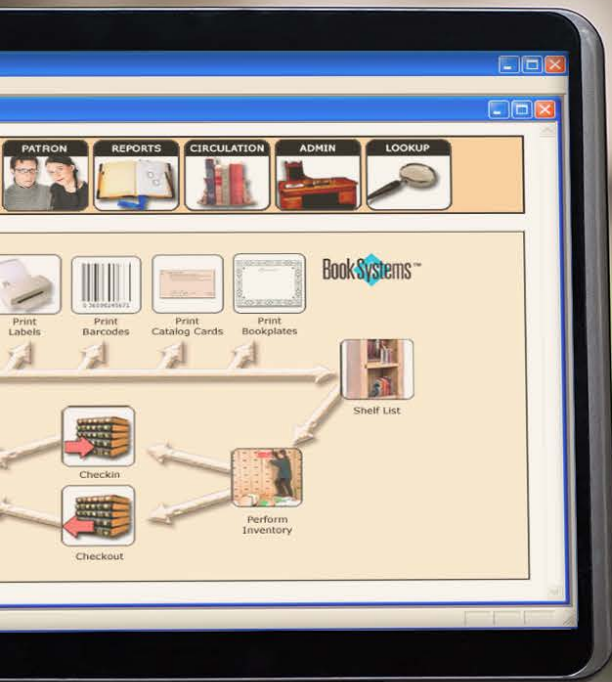

Circulation, cataloging, searching, inventory, and more

## Prevent Errors with DoubleCheck™

Anyone can input data, but you have the final approval

## Circulate All Types of Media

Books, records, videos, etc. may be filed, searched, and printed

## The Pre-eminent Church Library Management Software in the Industry!

"Concourse! What a way to go! It's great software for the 21st century. We thought MLS was perfect for the church media library. Concourse has raised MLS perfection to Perfection plus!, i.e., more fun, more color, more excitement and more service-oriented features for both large and small libraries..."
